2. Churches not on this list **are missing at least one form**. Please turn in the JCP forms as soon as possible. All clerks of session and pastors received both a link to a fillable web form and a Word document during the first part of January. The reports can be sent in either format. If you no longer have that email, please reach out to Becky Schwandt.
3. The General Assembly Stats Report is no longer available to churches, but changes can be made through the Stated Clerk **until March 4th**. Please make every effort to report changes in membership numbers to Becky Schwandt prior to that date. She will have no access after March 4th. This report determines Per Capita amounts for individual churches as well as the Presbytery. If no changes are reported to GA, your Per Capita amount will remain the same for the following year.
