## Updates from International Institute of Southwest Missouri

### WRD 2022

The celebration of World Refugee Day is fast approaching! I have attached a flyer to this email that you can share with others in the community. We have decided to host both the soccer tournament and the park party in the afternoon from 1:00 PM to 6:00 PM as there

will be festivities for Juneteenth in the morning and evening.

If you would like to volunteer for this event, please sign up using the link below😊

### DONATIONS

I will be passing off my hat to Romal Noori who will be in charge of coordinating any future donations and answering any questions related to donations. You can reach him by email ([noorir@iistl.org](mailto:noorir@iistl.org)) or by calling the office and asking for him by name. Additionally, I have attached the list of donations that IISMO accepts to this email for all to reference.

Please keep in mind that IISMO can only accept certain items in good condition, and the need for certain items changes over time.

We are currently filled to the brim with large items, so we cannot accept any furniture donations at this time. With that being said, there is a donations form that you can fill out if you have a large item (such as furniture) to donate.

**IISMO Donations Form** <https://forms.office.com/r/umdvMkBaAH>

### REPORTING

I have made some changes to the form that will hopefully help all volunteers in the future. As such, I would like to state or remind all volunteers of the following:

1. The weekly form is not a good communication tool. If you have a question, it is best to email me.
2. It is best to submit the form within same month as volunteer services. You can do this after every time you volunteer, once a week or once a month. If you do not submit the form within the same month, please specify in the comments section at the end of the form.
3. Use one name and one spelling for all volunteer reports. This helps me count how many people have been actively involved in a certain month. For example, my name is Charlotte, but most people call me Charley. It is important that I choose one name and stick with it.
4. Do not combine reports. Please only submit one report for one person.
5. Every question besides the first two and the last question should be answered with a whole number. Please do not put numbers or letters in those responses.

If you volunteer with IISMO, we ask that you take 5–10 minutes once per week or several times per month to record your experience(s) using a form that we have created to track volunteer services. **Volunteer Form** <https://forms.office.com/r/cUIQP9Lfns>
