

# Church Economics Series by the Presbyterian Foundation

This series is for session members, including clerk of session, treasurer, and pastor. Connect with others in our presbytery, and with the larger church. We need six churches for the Foundation to justify their travel.

## **Context and overview**

*A CLEARER LOOK AT TODAY'S CHURCH*

We have been in the midst of a difficult time in our world. Now is a good time to take a look at your congregation's situation, acquire new information, and follow God's plan.

It's easy to think of lots of reasons not to come--we are busy people. We don't know if the content will be relevant. We won't know anyone there. The time may not be convenient.

These are four dates in six months. Each session is 90 minutes. There will be a presentation, handouts, and discussion. The content will be relevant because YOU are there!

July 19: Aurora 3pm-5pm  
Suggested arrival 2:30 for fellowship and snacks!

September 6: Westinster, Springfield (start time TBA)

October 25: FPC Joplin (start time TBA)

November 29: Ozark (start time TBA)
