

## GET YOUR BUCKET LIST!!

Recently JCPDA delivered 10 disaster clean up buckets to Cassville OACAC for community recovery and clean up. As you know, many are needed right here in our own area!

This being said, the NEED FOR DISASTER CLEAN UP BUCKETS is still great. Flood, tornadoes, storms are happening all over the country and the buckets are leaving the warehouse at Ferncliff as fast as they come in.

This is a great service to those affected by disaster. Your help is appreciated. Thanks for helping to serve "the least of these." **We are asking that you report at the September 12<sup>th</sup> Saturday meeting, how many buckets your church is going to fill. It is our mission for the Fall to encourage this. Do not bring buckets or materials to the meeting itself. Thanks, Toni.**
