August 2, 2019

A joyful, holy community of Christian believers, diverse yet united.  
Committed to serving Christ in the church and in the world.  
Prepared by God through the Holy Spirit for mission and ministry.

## Psalm 107 : 42 – 43

( The Message )

Good people see this and are glad;  
bad people are speechless,  
stopped in their tracks.  
If you are really wise,  
you'll think this over—  
it's time you appreciated  
GOD's deep love.

We will provide mandatory boundaries training for persons serving churches in pastoral roles, from 10 a.m. Each participant will be required to read the training manual before attending the training and then participate in case study discussions at the group meeting.

**The Boundaries Manual is posted on the home page of our web site, <http://www.jcpresbytery.com>**

**NEXT SCHEDULED PRESBYTERY DAYS IS AUGUST 15 AT  
TRINITY (PCUSA) CHURCH 1900 E. Barataria Street, Springfield**

## ACTION REQUIRED BY ALL CHURCHES

Each year the Board of Pensions requires employers to set up an employer agreement for benefits. Even if you do not intend to change the benefits you provide, you must set up a new agreement each year. The window for creating the Employer Agreement is from July 15 to October 11.

To begin the process, you need to login to Benefits Connect by going to [www.pensions.org](http://www.pensions.org). At the top of the page is a tab to login to Benefits Connect. Usually the treasurer or clerk of session has the login id and password, but if you do not know it, you can request new information by clicking on the Login tab. If you need assistance while creating the agreement you can call the help desk at the Board of Pensions at 800-773-7752. The help desk will be staffed from 8:30am to 7pm ET from August 1 through October 11.

If your only staff covered by the Board is a pastor, then the agreement will already show that medical, death and disability, and pension are included and paid by the employer. These are the things covered by the 37% dues paid to the Board. Make sure that the effective salary for the pastor is correct and be sure to include any change in terms of call as soon as they happen.

You can set up the agreement to allow for other benefits like dental or vision eyewear coverage and choose whether the church will cover all, some, or none of the cost of those. The pastor can then choose whether to sign up for those extra benefits. There is also an option for a retirement savings plan that provides additional savings beyond the pension. If you have questions about any of these, you can call the help desk.

If you have employees on the menu option, you need to make selections as to benefits provided and how they will be paid. Feel free to call the Board's help desk for information.

The Board will contact Melana if all churches have not complied and the deadline is looming.

## JC LIVING WATERS

A team consisting of six Presbyterians from John Calvin Presbytery, one Presbyterian from Heartland Presbytery and one Nazarene, traveled to the Dominican Republic March 20-26, 2019. They placed a purifying water system into a public school of 400 children, Centro Educativo Alberto Hernandez Rosario School.

Sharon Marsh was the administrator-team leader, while Grant Spieth, Chris Scrivener, and Martha Bledsoe were on the installation team. Esther Cozzens assisted on both teams. Toni Spieth Ted Scott, Carol Minton were on the spiritual and education team. They taught Bible lessons reminding others that Jesus is the Living Water for our bodies and our souls. The team also taught health modules reviewing germ theory and healthy behavior as well as activities discussing healthy hands, filtration, germs hate soap, and how easily germs spread to one another. Coloring, games, and charades were used to include the entire class with the lessons.

We were able to celebrate with our partners that clean water could be made for the benefit of the children and their families. Together we were able to drink the system purified water and praise God that the children in this community will no longer get sick or die from drinking contaminated water. It will save the school from \$300-500 per month not having to buy 5-gallon containers of safe water.

Water is the crisis of our time. Over 600 million people around the globe suffer from lack of access to a safe water source. Nearly half of all deaths of children under the age of five are caused by preventable water-related diseases.
